

EXPERT TECHNICIAN SUPPORT

TRITECH's Expert Tech Support (ETS) is now available through the Decisiv SRM platform, giving service providers direct access to experienced specialists for diagnostic troubleshooting and repair guidance.

When complex repair challenges arise, technicians can connect with TRITECH experts to help identify root causes, review diagnostics, and accelerate problem resolution while reducing downtime and keeping service operations moving.

- ✓ **Expert Agents:** Highly skilled professionals ready to assist
- ✓ **Diagnostic Troubleshooting:** Solve complex issues with ease.
- ✓ **Repair Support:** Expert guidance for complex repairs
- ✓ **Unlimited Access:** No limit on submissions
- ✓ **All Makes & Models:** Support for all class 3-8 commercial vehicles
